

ASHISH Anand

Senior Video Editor

About Me

Creative and technically skilled Senior Video Editor with a strong foundation in post-production and digital content creation. Currently leading editing responsibilities at BeerBiceps, India's leading content creation brand. Adept at managing high-volume video workflows, optimizing team output, and delivering visually compelling edits tailored for modern digital platforms. Seeking to transition into a Video Editing Manager or Senior Editor role, where leadership, creativity, and storytelling can drive elevated brand engagement.

Professional Experience:

Senior Video Editor

October 2023 - May 2025 in
BeerBiceps

- Led the post-production workflow for short-form and long-form video content across Instagram, YouTube, and podcast platforms.
- Solely managed and edited a majority of BeerBiceps' Instagram Reels, increasing viewer engagement and content turnaround speed.
- Trained junior editors and provided constructive feedback to maintain content quality and consistency.
